### SHIP, DOCK AND BOAT

Rose City Arrives With Hundreds of Passengers.

ROANOKE TWO DAYS BEHIND

Capt. Chas. Richardson on Leave—  
Acme Leaves Out for Far New  
York—Needles Off for China—  
North Star Leaves for Alaska Today

Captain Charles Richardson, of the handsome lighthouse tender Columbine, arrived home from the Sound cities, yesterday, and is happy in a month's leave which he will put in on his cosy ranch home out on the Lewis & Clark. He left his ship at the Heferman yards at Seattle, where she will undergo a general overhauling, and he will join her before she is ready to move out on duty again. While on the Sound Captain Richardson had the pleasure of calling upon his old commander, Admiral Sebree, on the flagship Tennessee, and enjoyed every moment of the call. The Tennessee is 502 feet long and carries 1001 men all told, and is one of the most magnificent specimens of modern naval architecture afloat. She cost \$10,000,000.

The steamship Needles got away from the lower harbor yesterday afternoon at 2:40 o'clock, bound for Hankow, China, with her huge load of lumber.

The American ship Acme was among the getaways from this port yesterday at 2:30 o'clock, bound for New York. She is one of the Standard Oil Company's fleet and a splendid vessel.

The Coos Bay packets made it in and out yesterday, as usual; the Breakwater arriving in and the Alliance passing out, at their customary hours.

The S. F. & P. steamship Rose City crossed at a little after noon yesterday, and docked at the O. R. & N. piers. She had on board 330 people, 128 of whom were cabin passengers, the balance coming up on the cheap rate now prevailing. She did not tarry long in this port, but went on to the

metropolis to which she carried a heavy line of freight.

The fine steamship Roanoke, which was due here from the California coast last evening, is two days behind her schedule, having left San Francisco yesterday noon, and will not show up here until tomorrow afternoon.

The French bark Earnest Legouve, wheat laden for Europe, got away from this port, at 1:30 yesterday.

The schooner W. F. Jewett arrived in from San Francisco on Sunday and went on up the river to St. Helen's yesterday morning on the hawsers of the Harvest Queen.

The Harvest also took on her lines yesterday morning the French bark Bretagne, Captain Henry, from San Francisco, which crossed in on Sunday.

The steamer Yosemite cleared from this port yesterday with 860,000 feet of fine lumber from the mills at Prescott, and is now on her way to San Diego, Cal.

The steamer Northland is due in this morning from the Bay City. She comes after more lumber and is one of the busy craft of that fleet.

The Elmore motor schooner Evie arrived in on Sunday last from the Nehalem, salmon laden for her owners.

The British ship Ancaois, Captain Ritchie, 93 days out from Newcastle, Australia, with coal for Balfour, Guthrie & Company, at Portland, crossed in yesterday morning, after a slow and uneventful passage; and will leave up for Portland on the first tow that offers.

The dandy little steam tender, North Star, will leave out today for the Bristol Bay plant of the Alaska Fishermen's Packing Company, for the season's service, and will carry hence, beside her own crew: H. Lundberg, master; Edmund Herre, first officer; H. Lend, chief engineer; J. Misch, steward; and P. A. Berglund, superintendent for the company, and Oscar Lidberg, carpenter. She goes with the best wishes of the whole town.

The barkentine Chehalis, of the Simposn fleet, now due off the Columbia bar on her homeward voyage from the Hawaiian Islands, will be ordered to Coos Bay before she enters and will go there after a load of lumber for foreign delivery.

## STATEMENTS FROM PROMINENT PEOPLE IN VARIOUS CITIES

A number of statements from prominent people located in various cities where the widespread discussion over L. T. Cooper's new theory regarding the human stomach has recently waged, give an idea of the intense interest the young man has aroused during the past year. The statements are as follows:

Mr. C. D. Mitchell, of 2412 Avenue C, Birmingham, Ala., has this to say with regard to his belief in Cooper's medicine: "I have been troubled with indigestion and stomach trouble for the past year. I had heartburn, bloating after eating, gas on stomach and bowels; palpitation of the heart, pain in the lower part of my back, and various other symptoms, and was a victim of much distress. I tried many remedies, but received little or no benefit from them. I was advised to try the Cooper preparations, and did so. In one week's time I was improved wonderfully—the first relief I had been able to obtain. Mr. Cooper's medicine does all he claims for it."

Mr. J. O. Spradling, of 705 South Tejon street, Colorado Springs, Colo., says: "I was troubled with indigestion for two years. It caused me a great deal of suffering and misery. I did not dare to eat meat at all, and everything I did eat soured on my stomach. I tried various remedies, but found no relief. Three months

ago I started taking Cooper's New Discovery, and after using the contents of three bottles I was entirely cured. I can now eat and relish anything that my appetite craves. The New Discovery is truly a great stomach medicine."

Mr. Wm. Codier, of 408 Graves street, Syracuse, N. Y., is very strong in his expression of belief in the new medicine, and has the following to say on the subject: "I have suffered from catarrh of the nose and throat for four years. It must have been communicated to my stomach, for all this time my stomach has given me a great deal of trouble, and caused me much pain and suffering. My stomach was often sour, and my food did not digest. I was bothered by a continual desire to spit, and there was a constant dropping of mucus into the throat."

"The first relief I have been able to obtain is from Cooper's New Discovery, which I have been taking for about a week. My catarrhal condition has been greatly improved and my stomach is almost well. Mr. Cooper's medicine has benefited me more than anything I have ever used."

These statements are from reliable citizens in various communities who have tried these celebrated medicines. We sell them and will gladly explain their nature to any one interested. —Charles Rogers & Son.

St. Aldemar Commandary, of this city, made its first appearance since its recent institution here, twenty-five strong, on Sunday morning last, passing from their headquarters to Grace Episcopal church, according to custom of the great order; and the sermon preached by Bishop Scadding who occupied the pulpit there on Easter, was a splendid tribute to the cause and practice of Masonry in general and was most thoroughly enjoyed by Mason and Layman present. The church was beautifully decorated for the occasion and for Easter day, and the music was delightful.
